Statewide Women's Final Series semi final schedule

Hobart, 31 August, 2010: The Women's Statewide Final Series finds itself in the semi final stages as the draw is dominated by Southern Women's Premier League sides.

Launceston City will fly the flag for the North of the state when it hosts Statewide Cup finalists Taroona FC. Launceston City were tested last week by a young Tilford Zebras squad but outlasted their opponents and still remain unbeaten in their league campaign this season. Taroona on the other hand brushed aside Somerset SC and will be looking continue the form which saw the side take the TIS Women's team to penalties in this year's Statewide Cup.

In the other semi final to be played at Wentworth Park on Saturday night, Clarence United will be looking to continue their dominance when they take on Olympia FC.

Clarence United took out the Southern Women's Premier League for the first time in the clubs history. They have a youthful exuberant side which has been aided by the careful mentoring of Coach Ronnie Bolton. Olympia FC on the other hand has all the experience of the past 10 years of Southern Premier League success. With players such as Bliss Cantrell and Nicole Hale, Olympia will be out to show they are still the side which has dominated for the past few years.

The schedule for the Women's Statewide Final Series is as follows:

Saturday 4 th September 2010			
6:30pm	Clarence United	v	Olympia FC Wentworth Park
Sunday 5 th September 2010			
2:00pm	Launceston City	v	Taroona FC Mitsubishi Park

The women's game has gone from strength to strength as shown by the level of competitive matches across the state this season and the football community is expected to get the behind it further in anticipation of a new state champion.
