

2010-11 NTC PROGRAM TRIAL for MALE PLAYERS.

Players born 1996

NTC Men's Football Program

The NTC Men's Football Program, conducted by the Tasmanian Institute of Sport (TIS) is part of the National Training Centre network for football in Australia. The Program operates under a co-operative agreement between Football Federation Australia, Football Federation Tasmania and the TIS

Program Goals:

- To identify and develop talented male Tasmanian football players;
- To assist Scholarship recipients in realizing their potential to become successful National/International level athletes;
- To encourage and train Scholarship recipients to develop lifestyle skills, attitudes and personal qualities which will assist them to excel both in and outside the sporting arena.

In early October, the process for the selection of players for the 2010-11 program will enter the trials stage.

Boys who were born 1996 and have attained a high level of technical and tactical proficiency and who wish to be considered for inclusion in the 2010-11 program should send an expression of interest to the Program Coordinator, Carl Saunder, detailing their name, contact details, DOB, current club, playing experience and reasons for wishing to be considered. All communications are to be received by 20th September 2010.
